UNIFORM MASSACHUSETTS ACCOUNTING SYSTEM

TO: City Auditors and Town Accountants

FROM: James R. Johnson, Director of Accounts

DATE: July 2003

SUBJECT: Uniform Massachusetts Accounting System Manual

This *Bulletin* notifies you of the completion of the first revision of the UMAS Manual since 1980. As I indicated at the meeting of the Mass. Municipal Auditors' and Accountants Association in Yarmouth in June, the Manual is available on our website (www.mass.gov/dls) under "Publications and Forms" by selecting "UMAS Manual."

Again, I extend our thanks to those municipal officials who contributed to this publication, along with the CPA firms auditing municipalities, and our staff.
